Pool Class Descriptions

Arthritis

Beginner's class designed for individuals with joint limitation or pain. Class emphasis is on increasing the range of motion and strengthening of muscle groups. This class is an excellent class for new members or those just beginning to exercise. Members do not need to have arthritis to participate. This is an excellent class for anyone with any clinical condition.

Toning

This class is designed for individuals who are interested in increasing muscle tone, strength, and range of motion through water fitness, use of water weights, and resistive devices. This class is challenging and fun and you can work at your own level.

Aqua- Fit

This class is a variety of cardio, strength, core and flexibility exercises in the pool. Designed for all levels.

Aqua Boot Camp

Aqua Boot Camp is a high intensity water fitness program that provides the benefits in the pool with little to now impact on joints and expands lung capacity, as well as benefits of weight and resistance training of the traditional gym. Kick up the intensity of your water workout with timed drills and traditional boot camp style exercises with water equipment that will make you sweat! Come out of your aquatic comfort zone and join us for the fun!

Swim Instruction

We offer Individual and Buddy packages for private lessons. Group swim lessons for children are offered throughout the year, watch for details. Swim lessons for adults are also available.

Family Swim

Family swim is open to members and the children on their memberships, and paid guests. This is the only time that children from ages 6 months-9 years can be in the pool. They must be accompanied by a family member.
