

## Serving Survivors

Serving Survivors is a support group of women cancer survivors serving those fighting cancer from diagnosis to survivorship.

The group provides a unique sisterhood for all cancer warriors no matter where they are on their cancer journey.

We provide a monthly luncheon for women fighting cancer on the **first Wednesday of each month at 1 P.M. at Wellspring**, Valley Health's cancer resource center located at 525 Amherst Street in Winchester, VA.

**For more information, email [servingsurvivors@gmail.com](mailto:servingsurvivors@gmail.com) or call 540-536-4981**
