Explore different ways  
to use the creative process  
for healing

## Ripples Reunites at Brunch

Wellspring, Valley Health's cancer resource center, offers Ripples, a support group open to all women who have had cancer. The group has been on hold this past year due to COVID restrictions. Members are anxious to establish and renew friendships as we share life stories over brunch.

Please plan to join us for a quarterly Saturday brunch provided by members. All are welcome. Meetings will be held at Wellspring from 10 A.M. to 12 P.M. on the following dates:

September 11, 2021

December 11, 2021

March 12, 2022

June 11, 2022

Wellspring is located at 525 Amherst Street in Winchester.  
For more information, call 540-536-4981.
