

Special Low Dose CT Lung Screening Event

November 2021

- For uninsured patients who meet screening eligibility criteria
- Designated phone number for eligibility screening: **540-536-LUNG (5864)**
 - Navigator will review some preliminary criteria and refer for an appointment with a provider
- Patients will have a telehealth visit with one of two providers – thoracic surgeon Shalini Reddy, MD, or pulmonary medicine nurse practitioner Allyson Rinker, NP – **at no charge** to discuss eligibility and meet shared decision making requirement before the provider orders the scan
 - In-person visit option available
- Patient is scheduled for the scan at one of our hospital-based imaging locations. The low dose CT lung screening program is available at any of our Valley Health hospitals.
- **\$20 all-inclusive fee** (scan and radiologist's reading) for this month-long event, must be paid the day of the scan
- Patients will be asked COVID-19 screening questions
- Masks must be worn inside all Valley Health facilities – even for those who are fully vaccinated

For questions about the November event, contact 540-536-8920 or jfrye2@valleyhealthlink.com.
