

# Valley Health **Lung Cancer** Awareness Event and Walk

Saturday, November 6, 2021

10 A.M. – 2 P.M.

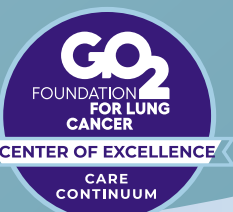

Valley Health Cancer Center

400 Campus Blvd., Winchester, VA

Join our lung cancer team for a special event to promote awareness of the leading cause of cancer deaths in the U.S. and the importance of early detection in saving lives. The event will include speakers, information, refreshments and a non-competitive walk.

**For more information, call 540-536-5864**

NOVEMBER IS LUNG CANCER AWARENESS MONTH

Providing Excellence in  
Patient-Centered Care

Route: Walking trail around the lake behind the Valley Health Cancer Center on the Winchester Medical Center campus (weather permitting)

To access the walking trail, enter the Cancer Center and go through the main lobby to the door leading outside to the healing garden. **Masks must be worn inside the Cancer Center and during the walk. Those in the same household may walk the trail together but should maintain a minimum of six feet of distance from any other walkers.** Family or friends watching loved ones walk should also maintain proper social distancing.

 **ValleyHealth**

*Healthier, together.*
