

You Helped Us Make a Difference

2019 was a very successful and impactful year for the Winchester Medical Center Foundation. With support from **over 1,400 donors**, together we raised over \$2.3 million.

Thank you!

The Winchester Medical Center Foundation has been able to provide support for our staff, nurses, and physicians as they care for patients throughout our community. We appreciate the dedication shown to our mission to serve our community by improving health.

Below are some ways you've helped this past year.

\$28,000+

granted to cancer patients
through the Angel Fund
