

Please Pardon Our Progress

We are excited to expand our Imaging Services with the addition of an in-house MRI, which will increase access to advanced imaging services close to home.

Effective August 14, 2025

Door 38 and the parking lot for the Outpatient Diagnostic Center will be closed for the duration of the project.

Patients needing Outpatient Diagnostic Center should park in the **Shenandoah Surgery Center lot and enter through Door 3.**

Services impacted include:

- Medical Imaging
- Laboratory
- Cardiovascular testing (Echo, nuclear medicine, etc.)
- Diabetes Management
- Respiratory Services (pulmonary function tests, EKGs, etc.)

We apologize for any inconvenience, and thank you for choosing Valley Health.
